Darren Kane

Wayne Randell

Our V8 Super Sedan Race car is purpose built to satisfy true red-blooded Aussie's. The Dominator V8 Super Sedan Race car has a heritage of Winning 3 Australian Titles, 2 Qld Titles, 2 NSW Titles and 2 National Super Sedan Series Titles. The car is purpose built to stringent Super Sedan Specifications with "State of the Art" computer designed chassis & fully adjustable suspension, racing brakes, full racing harness, full racing instrumentation, Hi-Tech NASCAR Race engine with 800 plus horse power, purpose built Bert gear box and Quick Change differential and Race tyres.

This is a V8 Super Sedan, it's the closest experience going to actually driving one.

With this total package you're ensured to get the Dirt Track experience of a lifetime. So get strapped in—No Limits on speed or heart rates.

Wayne & Darren have a combined racing experience of over 45 years & are the leading Super Sedan Drivers in Australia.

EVENT DAY PROCESS

Here's a quick run sheet for your V8 Super Sedan Race event, we recommend that you allow 1-2 hours for your experience:

- 1.** Arrive at Race Track approximately 30 mins prior to your scheduled drive/ride time
- 2.** Proceed to our track office for registration (Present your voucher here)
- 3.** At your schedule time you are called for your Briefing session, this runs for approximately 10 mins and goes through safety, track and racing techniques.
- 4.** You will be fitted with your race suit and helmet
- 5.** You then have the opportunity to have your photo taken near our V8 Super Sedan Race Car with your camera
- 6.** Then it's back to pit lane to be strapped into your car and Ride!
